DESCRIPTION

I am a hardworking and driven person who is not afraid to take on a challenge. I am passionate about my job and know how to get the job done. I describe myself as an open and honest person. I learned programming front-end websites in particular

MY AMBITION

To become the best programmer and then delve into the computer because it is my passion And to work in a respectable company and increase my experience and rely on myself in managing myself and my expenses while I am in the prime of youth so that I can develop my skills and not worry about the financial side. Thank you

📢EDUCATION

University : Elzaem Elazhari..
